#### 35 17 EXPLANATION

35 18 This bill amends and updates five different Code chapters,  
35 19 the provisions of which are administered by the superintendent  
35 20 of banking, as follows:

35 21 Chapter 533A Debt management.

35 22 Chapter 535B Mortgage bankers and brokers.

35 23 Chapter 533D Delayed deposit services.

35 24 Chapter 536 Regulated loans.

35 25 Chapter 536A Industrial loans.

35 26 The bill makes similar amendments to the various chapter  
35 27 provisions, including the following:

35 28 1. Licensure requirements. The bill deletes the writing  
35 29 requirement for applications, addresses what persons are  
35 30 required to apply for a license and pay an annual fee, and the  
35 31 basis upon which the superintendent grants a license and  
35 32 conducts investigations.

35 33 2. Renewal of license. The bill provides for an annual  
35 34 renewal application, and adjusts the due dates for  
35 35 applications. The bill also provides for annual fees and late  
36 1 fees.

36 2 3. Change in control, name or address provisions; fee  
36 3 required. Prior to a change in control, as defined, the  
36 4 superintendent must approve the change and may require  
36 5 information to determine whether a new application must be  
36 6 filed. A \$100 fee is required for approval. Likewise, the  
36 7 licensee must notify the superintendent of a proposed change  
36 8 in the name or address. A \$25 fee is required for each  
36 9 license affected by the change in name or address.

36 10 4. Cost of examination. The superintendent is required to  
36 11 determine the cost of examination based upon the actual cost  
36 12 of operation of the finance bureau of the banking division,  
36 13 including the proportionate share of administrative expenses.  
36 14 The licensee must pay a fee for late payment of the  
36 15 examination fee.

36 16 5. Release of information. All documents relating to the  
36 17 superintendent's supervision of licensees are confidential;  
36 18 however, the superintendent is authorized to disclose  
36 19 information to state or federal regulatory authorities and  
36 20 also under circumstances that do not disclose the identity of  
36 21 the licensee, i.e., aggregate reporting. The superintendent  
36 22 may provide information to the attorney general as well for  
36 23 purposes of enforcing the law.

36 24 In Code chapter 533A, the bill defines "allowable cost",  
36 25 "donation", and "gratuitous debt=management service" and other  
36 26 terms. A donation is an amount of money paid by the debtor to  
36 27 the licensee as a gift outside the debt management service.  
36 28 If a licensee requests a donation, the licensee must make it  
36 29 clear to the debtor that the donation is not a condition or  
36 30 requirement for debt management services. A donation is not a  
36 31 fee. For the licensing, the bill increases the bond amount  
36 32 from \$10,000 to \$25,000. And, the renewal license fee is  
36 33 raised from \$100 to \$250.

36 34 Code chapter 535B currently applies to first mortgage  
36 35 loans. The bill strikes the word "first" so that the chapter  
37 1 provisions now apply to any loan secured by residential real  
37 2 property. The bill requires the licensee to conduct business  
37 3 under the name named in the license; however, the  
37 4 administrator may issue more than one license upon compliance  
37 5 with the chapter. The bill also adds an enforcement

37 6 provision. If a person violates the chapter, or a rule or  
37 7 order as applicable, the administrator may order that the  
37 8 person pay a penalty of not more than \$5,000 for each  
37 9 violation, in addition to the costs of the investigation.  
37 10 Finally, the bill provides that the administrator may  
37 11 participate in a multistate automated licensing system for  
37 12 mortgage bankers, mortgage brokers, and individual  
37 13 registrants. For purposes of such a multistate automated  
37 14 licensing system, the administrator may create by rule or  
37 15 order new requirements for applicants, such as fingerprinting  
37 16 and criminal history checks and related fees.  
37 17 In Code chapter 533D, the bill requires that the licensee  
37 18 indicate on the face of the check that the check is an  
37 19 instrument in a delayed deposit transaction. The licensee  
37 20 must disclose to the maker of the check the annual percentage  
37 21 rate as computed pursuant to the federal Truth In Lending Act.  
37 22 In Code chapter 536, the bill strikes and replaces "state  
37 23 banking council" with "superintendent" to reflect that certain  
37 24 duties have been transferred to the superintendent. The bill  
37 25 repeals Code section 536.25 that requires the licensee when  
37 26 making a loan to obtain a written statement of the borrower's  
37 27 installment indebtedness.  
37 28 In Code chapter 536A the bill applies restrictions to an  
37 29 industrial loan company that sells debt instruments to the  
37 30 general public.
